THE BUCYRIAN

A Book about Bucyrus
High School and
Particularly the
Class of 1949
Vol. XXXIX

Dedicated to the Memory of

JACK MULLEN

March 19, 1931 — May 28, 1949

EUGENE GEARHART

June 11, 1931 — May 28, 1949

Who left us less than a week before Commencement and whose pictures appear with the senior class of 1949.

I cannot say, and I will not say
That he is dead -- he is just away!
With a cheery smile and a wave of the hand,
He has wandered into an unknown land.

And left us dreaming how very fair
It needs must be, since he lingers There.
And you — O you, who the wildest yearn
For the old-time step and the glad return,—

Think of him faring on, as dear
In the love of There as the love of Here;
Think of him still as the same, I say:
He is not dead — he is just away!

James Whitcomb Riley

In Memory of

Lavenna and Jimmy, who departed
from us in the seventh grade.

Lavenna Joan McKillip
January 1, 1932 — March 7, 1944

James Frederick Maier

October 19, 1930 — December 1, 1943

Though we no more can hear or see,
And far away they seem to be,
'Tis but the living go away.
The dead, remembered, nearer stay.

—Edgar A. Guest

ALMA MATER

To Bucyrus High we raise our song,
Oh school we love so well.
The name that sets our hearts aflame,
And makes our voices ring.
To Bucyrus High, our dear old high,
In praise our voices swell,
The scenes of happy High School days,
The home we love so well.

Oh morning glow which gilds the east,
Oh sun which shines at noon,
Oh stars which bloom with eventide,
Oh radiant, glowing moon,
Look from the pathless, azure dome,
And bless us from above
Our high school halls, our high school walls
The B. H. S. we love.

When from the fold we far shall stray,
With souls no longer young,
We'll ne'er forget our high school days,
Those happy days gone by.
And when our steps have feeble grown,
Our journey almost done,
E'en then with fleeting breath we'll praise,
Our dear Bucyrus High.

Varsity

Men of Bucyrus High, on to victory,
Every man in every way
Bucyrus High expects her Varsity
To win today.
Rah, rah, rah, rah,
Win for Bucyrus High.

Varsity down the field
Never yield, raise high your shield,
March on to victory for Bucyrus High
And the Red and White.
Oh Varsity
We're for you
Here for you, to cheer for you
We have no fear for you
Oh Varsity.

Board of Education

Administration

Seldom does one give credit to the men who are really responsible for running the school. The forty-niners proudly salute these men on the Board of Education who have so thoughtfully given their precious time and endless efforts for the betterment of Bucyrus Public Schools.

Mr. Baer

Mr. Gearhart

Mr. Baer, our faithful superintendent, has watched o'er us forty-niners for the past twelve years. We will always remember his helpful supervision and friendly way. It is our wish that he may have many more successful years in his work.

There probably aren't very many seniors who, at one time or another, haven't nervously stumbled into the principal's office to see Mr. Gearhart. Though we've no doubt been very trying at times, this true friend has guided us through many of our difficult problems. We will ever be grateful for his help and patience.

Senior Class History

Here we are, Seniors already! We have come a long way in our education and some of us who are going to college still have a long way to go. None of us, however, will ever forget our days in Bucyrus High.

As we gaze into the past to 1943, we see ourselves entering the Seventh Grade. We were a little confused in trying to find our classes, but with the aid of the older students and the teachers, we soon learned where they were.

In the Eighth Grade we were less confused than we were in the Seventh and got along a little better. The main social event was, naturally, the Blue Triangle Sweet-heart Party.

The following year we were Freshmen. We had taken a step which would probably influence the rest of our lives—we had chosen which of the four courses we would take. The main social even that year was the F. H. A. Party.

Upon entering the Sophomore year, we elected officers: President, Bob Dutcher; Vice-President, Bill Kibler; Secretary, Fred Meck; and Treasurer, Lowell Garverick. The Sophomore Prom, which was to have been the main event

of the year, was called off because of lack of funds.

In the Junior year we elected the following officers: President, Doris Ahl; Vice-President, Robert Hail; Secretary, Robert Schnabel; and Treasurer, Robert Solt. We sold refreshments at the football games and sponsored a dance. With the money made in this way, and with the supervision of our capable advisor, Mrs. Halm, we were able to have a very successful Junior-Senior Reception in the spring.

Now we are Seniors! The officers are as follows: President, Robert Hail; Vice-President, Julius Sabhack; Treasurer, George Arnold; and Secretary, Arden Linn. Our advisor is again Mrs. Halm.

Our Senior year has been a busy one with many outside activities besides our regular studies. Our basketball and football teams which were largely comprised of Seniors were both N. O. L. Championship Teams. Many Seniors have filed applications for admission to colleges and some have taken scholarship tests.

Although we are hopefully looking toward the future, we think this last year has gone all too swiftly.

Secretary—Arden Linn.

Class Will

East may be East, and West may be West,
But we know where 'tis the best
To settle down and stake your claim,
And even some day reach great fame.

In old B. H. S. it's a rip-roarin place
Full of men that are men, and many a pretty face.
There's excitement and laughter and joy galore;
They just go and shoot anyone that's a bore.

Now we're agoin from this yere claim,
And to you we'll leave the blame
For cut up desks, notes in study hall
And wolves that give a low wolf call.

To the Juniors we leave the claim
To front row seats and to the same
We leave our title so very great,
And the privilege of being late.

To the Sophomores, you sweet little dears,
Studies, troubles, and lots of tears;
Also the knowledge that you may, too,
Someday be in "Who's Who in the Zoo".

To those who are as Freshmen known,
All the wild oats we have sown;
To you those tunnels under the school,
The right to be guards at the swimmin' pool.

To the eighth grade—four years to go,
Those many arts you should know;
How to flirt, be coy, gallant and brave,
So boys will smile and girls will rave.

Now to you who will five years here stay
And study hard for many a day,
We give our Bucyrrian, annuals and dances,
Football games, and sweet hall romances

The imagination and strength to go ahead,
Study for tests 'til you're almost dead;
For the thrill of dances you will wait,
And never forget your very first date.

To all we our biggest gifts hand,
The greatest team in all the land,
The trophies we have put in the case,
The honors on B. H. S. we have placed.

The song "Varsity" so peppy and strong,
Singing it you can never go wrong.
To all we leave our memories fine,
And step aside to the Alumni line.

The year 1944 saw the present Junior class enter the seventh grade. The new school seemed very large to us and we had a little trouble getting into our right classes, but the eighth grade found us somewhat settled.

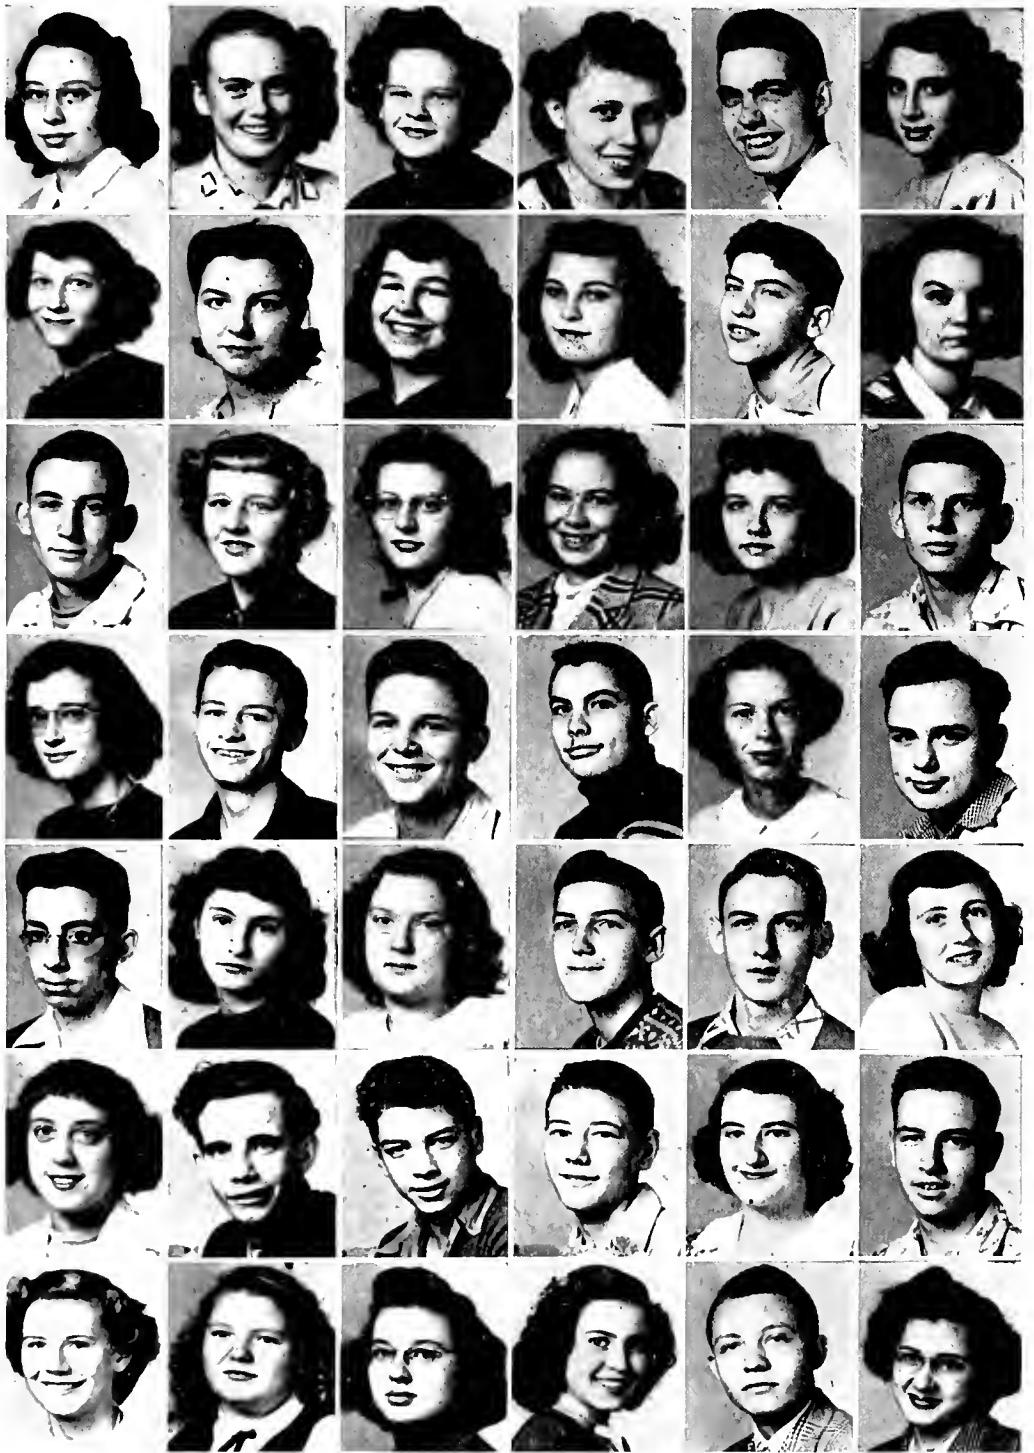

The main event of our Freshman year was the Blue Triangle party.

In the Sophomore year our class organized with James Bippus as president, Miss Hibarger was our advisor.

In our Junior year, we elected officers again. Joe Kebe was elected president; James Bippus vice-president; Mary Ann Haala, Secretary; and Janet Auck, Treasurer. Mrs. Willeman was our advisor.

This year we sold refreshments at the football and basketball games to help pay the expenses of the Junior-Senior reception, the outstanding event of the year.

The College Club of Bucyrus High School is composed of about one-third of the senior class. The purpose of this club is to help the members select their course of study and to provide the literature necessary in selecting a college. Also included in the purpose is the providing of the necessary literature on Scholarship awards. The club has been fortunate this past year in having representatives from different colleges give short lectures about the colleges with which they are associated. Among the many colleges represented were: Findlay, Kent State, Baldwin-Wallace, Capital, Hiram, and Miami. Miami University, located in Oxford, Ohio, seems to dominate over the other colleges. There are nine people in the club listing Miami as their first or second choice. The club's advisor for the past year was Mr. Havron. As our advisor, Mr. Havron was the key figure in obtaining the literature and in planning for representatives to address the club. The officers of the club for the past year were: Juanita Goodwin, President; Gene Wenninger, V-President; Charles Weithman, Treas.; Richard Light, Sec.

STUDENT COUNCIL

The Student Council ably led by Bill Kibler, played an active role in the life of BHS this year. The first major event of the year was the annual election of the vice-president, to which post Jerry Watkins was elected. The organization bought a pop corn machine this fall and sold pop corn at all the Bucyrus and county basketball games in order to secure funds for a public address system to be installed sometime in the near future. The council also sold "Redmen" pencils to help the project, which proved quite successful. The council carried out all other tasks of business throughout the year quite efficiently.

This year the Student Council became affiliated with the National Association of Student Councils of Secondary Schools. The student organization was capably advised by Mr. Gearhart and Miss Frances Thompson.

SALLY SIEGEL, Secretary

STAGE CREW

March 25th, the third period class presented a three-act comedy entitled "The Ghost of a Chance". Junior Red Cross

None of the American Junior Red Cross members will forget Bundle Day when everyone brought a package of clothes for needy children. This was just one of the projects carried out by Junior Red Cross members this year. Other projects were the sponsoring of a dance, the sending of cards to young people who were ill, and the packing of gift boxes containing school and health supplies for overseas.

Our faithful students representing B. H. S. in Bucyrus County Chapter Council were Joan Hauck, Barbara Armitage, and Merris Welge, and our faithful teacher-sponsor was Mrs. Tupps.

During the past year Bucyrus High School's athletic program reached a level that has been sought for many years. Two Northern Ohio League Championships were captured (football and basketball); many players were picked for positions on the all-N. O. L. squads; several boys received mention on the all-Ohio teams; the football team was given recognition in the form of an official document from the Ohio House of Representatives; and the cagers were runners-up in the Sectional tournament at Mansfield. Coach Pesek and his assistants, Dale Berner, Charles Tschanen, and Alex Kish did a grand job of conditioning and training the various teams and certainly deserve a great deal of credit for their fine work.

Resume of Games

TIFFIN COLUMBIAN

Looking good in all departments of the game, the Redmen opened their new season by trouncing Tiffin 45-0 at Lane St. Field. Spectators got a hint of what to expect of the boys as the team held the Columbian eleven to low yardage and scored almost at will. Good hard blocking and tackling marked Bucyrus's playing and certainly showed up in the final score.

NORWALK

Scoring in every quarter and showing complete mastery of the game at all times, the varsity pounded the Norwalk Truckers for a 29-0 victory on the Norwalk field. The Redmen proved that their 45-0 opening win was not just luck as they dominated play in every department and the score would have been much higher but for the fact that a plague of penalties hindered Bucyrus's every move. During the last half, Herb Jones galloped 25 yards for the first varsity touchdown of his career.

WILLARD

Showing supremacy from the opening play right down to the final gun, the fast-scoring Redmen took their third straight win by trouncing the Willard Flashes 28-7 on the home field. Two touchdowns were made by Bill Kibler on runs of 85 and 25 yards and Dick Kibler and fullback Dutcher accounted for the other two.

SHELBY

Although several touchdowns were nullified, the Redmen's baffling scoring machine nevertheless rolled to a 50-0 win over the hapless Shelby Whippets in a game played on Lane St. Field. Two of the six pointers were made by right halfback Dick Kibler and two more were added by left half Bill Kibler. Walt Light, doing some brilliant ball carrying and pass receiving, accounted for another pair of scores and fullback Dutcher got the seventh.

GALION

Demonstrating their usual fine offense and an unusually expert defense the varsity overwhelmed the Galion Tigers 47-0 before 3,500 spectators at Heise Park. After the statistics were tabulated it was discovered that Galion's offense wound up with minus 49 yards, passing and pushing, real testimony of the greatness of Bucyrus's line. Passing dominated the Redmen's attack with Jim Ball doing some fine throwing.

CRESTLINE

The team extended their string of victories to six by defeating the strong Crestline squad on the home field before a record crowd of nearly 4,000 fans. Jim Ball scored two touchdowns and Dick Kibler the other as the Redmen battled for 19 markers while holding Crestline to 7.

UPPER SANDUSKY

An inspired Upper Sandusky team, seemingly not in the least concerned by the excellent record of the Bucyrus squad, fought the Redmen to a standstill before a tense crowd at the Ram's field. Although all the scoring was finished in the first half, there was never a dull minute at any time during the game, for frequent long runs and goalline stands kept those in the stadium constantly alert and on the edges of their seats. Bill Kibler made the only Bucyrus score early in the first quarter when he intercepted an Upper pass and raced across the goal, untouched. The rams tied the game at 7 all in the second period, and the score stayed right there for the rest of the game.

BELLEVUE

After spotting Bellevue seven points in the first quarter, the Bucyrus Redmen went on to beat the Redmen from Bellevue by a 20-13 score. This game was not just another win, for the victory gave the Red and White their first championship of the Northern Ohio League. The touchdowns were made by Bob Dutcher, who scored twice, and by Bill Kibler.

MANSFIELD-MADISON

Bucyrus's first undefeated season in over 30 years was climaxed in fitting style as the fighting Redmen came from behind to overcome a 13-0 halftime deficit and go on to beat a tough Madison squad 20-13 in the mud and water on Lane Street Field. For the whole first half the varsity looked worse than at any other time

Resume of Games

TIFFIN COLUMBIAN

The Bucyrus High Redmen started the basketball season in the right way by defeating the Tiffin five on their court by a score of 47-35. The Redmen got off to a rather slow start and could do no better than a 17-17 tie at half time. 15 points in each of the last two quarters sewed up the game though, and Bucyrus had their first win of the season.

SHELBY

The only loss suffered during the regular season by the varsity came at the hands of the Shelby Whippets when a last second shot gave the Shelby five a 41-40 win over Bucyrus. The game, which was close from the very start, was tied 21-21 at the half and again at the end of the third period 31-31. During the final period neither team was ever ahead by more than two points.

CRESTLINE

Getting off to a fast start and always maintaining a comfortable lead, the Redmen outplayed and outscored a fighting Crestline five 47-32. The varsity was paced by Don Widman, acting captain for the game, who netted eight field goals and one free throw for 17 points.

GALION

In their non-league tilt with Galion the Redmen defeated them 58-39. Bill Kibler led the attack with 15 points and Don Widman closely followed with 11. At the end of the first half both teams seemed matched fairly evenly, the score being 20-16 in favor of Bucyrus. In the second half the Redmen came back and really turned the heat on, running the total up to 58.

MARION HARDING

Coming back to school after the Christmas vacation, the Redmen started the new year out right by edging out Marion Harding, 46-42 on Bucyrus' floor. Walter Light was highpoint man for Bucyrus with 12 markers. The Kibler twins also rang up 10 points apiece in the game.

GALION

Galion proved to be no tougher on their home floor than they were at Bucyrus. The Redmen had no trouble in downing the Tigers the second time 60-42, a score nearly the same as the earlier Galion-Bucyrus score of 58-39. This game carried a little more significance, however, for the win counted in the N. O. L. rankings.

SHELBY

Revenge was sweet for the Redmen on the eve of Jan. 11 for it was then that they blasted the league-leading Shelby Whippets 62-39, thus avenging their only loss of the season, which had been administered by the Whippets earlier in the year. To anyone watching this contest it seemed inconceivable that Shelby could have beaten the varsity earlier, for the home five's playing was so expert that it made the Shelby quintet look like the last place team in the NOL instead of the first.

WILLARD

Willard put up a great fight and until their James Nowakowski went out of the hall game shortly after the start of the fourth quarter they were a definite threat to the Redmen's hopes for a sixth straight win. But as soon as the six-foot seven inch Willard center left the contest the B. H. S. five sprang quickly into scoring form and sped to an 18 point victory 70-52. Big Charles Weithman, sent into the game toward the last of the second period turned in a great account of himself in the guarding of tall Nowakowski. Charley held the big center to less points than any of the starting five had been able to do and this was largely responsible for the win.

CRESTLINE

Crestline tried hard enough and made a close game of it for the first quarter, but they still weren't the team capable of downing the Redmen. 50-30 was the final score and another win, this time a league victory, was put down on BHS records.

BELLEVUE

Playing before a packed house on the home court, the Varsity won a 54-40 decision from a fine Bellevue squad to put them in a tie with Norwalk for first place in the NOL. Jack Temple, seeing more action than he had previously enjoyed this season, turned in a surprising and pleasing performance as he led the home scoring with 16 markers.

WILLARD

Making use of the experience they had gained during their first game with the Flashes, the Redmen kept Nowakowski under control and thus assured themselves of a fairly easy time in downing Willard for the second time, 61-44. With the Flashes tall center well guarded, all Bucyrus had to do was dump points through the hoop which they did with very good accuracy.

Resume of Games

NORWALK

It took nearly six minutes of play for Bucyrus to get a basket, but after that the points came fast and furious for the Redmen as they breezed over Norwalk 64-42 to assure themselves of at least a tie for the NOL championship. Bill Kibler and Jack Temple led the scoring with 17 and 16 respectively. Walt Light also added considerably to the total by grabbing 13 points. Light and Smith played an exceptionally fine game under the baskets, keeping Bucyrus in control of the rebounds most of the time.

MARION HARDING

The team extended their consecutive winning streak to eleven by defeating Marion Harding on their floor. Paul Katterhenrich, the new eager from Columbus, proved the high point man of the game as he flipped in 20 points. Number two man in the Bucyrus scoring column was Bill Kibler, captain for the night, who made 11. Final score—51-45, Bucyrus.

MANSFIELD MADISON

Taking advantage of a 13 to 4 first quarter lead, the mighty Redmen rolled on to a 66-33 victory over the Madison Rams on the Mansfield Tyger's hardwood. Everyone of Coach Pesek's 12 eager saw action in this fray, which wasn't close at any time. Bill Kibler and Paul Katterhenrich once again led the local attack with 20 and 11 points respectively.

UPPER SANDUSKY

Opening up fast in the first quarter and keeping a hot pace throughout the game the Bucyrus varsity rolled to victory over the Upper Rams 63-38 to win the NOL crown for the first time since the forming of the league. The team made the win certain in the third quarter when they hit for 28 big points. Katterhenrich led the local forces by pouring in 17 points on 6 goals and 5 free throws. Light followed the big pace setter with 13 tallies.

KENTON

The Redmen finished their regular season in grand style as they hit a new scoring high of 77 points in their rout of the Kenton Wildcats. The victory was the 14th straight success for Bucyrus and the 15th of the year. It left the regular season's record stand at 15 wins out of 16 attempts. 918 points were dumped in by the team during these games for an average of nearly 57 points per contest, which is by far the best record hung up by a Bucyrus squad in a long time. Bill Kibler led the scoring in this 77-30 win by netting 21 points.

Tournament games

MANSFIELD MADISON

A rather overconfident Bucyrus team managed to maintain enough poise and offensive thrust to edge a narrow victory from Mansfield Madison in the first sectional tournament game at Mansfield. 36-29 was the final result, the lowest score the Redmen had been held to all year and one of the narrowest margins of victory. The varsity seemed unable to get enough shots during the course of the game, as they fell far short of their 57 point per game average maintained during the season. Katterhenrich was the only player with anywhere near the customary number of points. He made 12 by shooting 5 baskets and making good on two out of three foul attempts.

SHELBY

Bucyrus moved into the finals of the Mansfield Sectional Tournament by defeating Shelby 59-48. Bill Kibler was leading point getter for the Redmen, with 19, Walt Light and Norm Smith each contributed 11 points and Katterhenrich netted 10.

MANSFIELD TYGERS

In the finals of the Sectional Tourney an extraordinary first half put the varsity so far behind that they were unable to overtake the Mansfield team, even though they outscored them by 10 points during the final 2 periods. Mansfield hit the nets with uncanny accuracy the first half, making 16 out of 19 field goal attempts and 10 of 12 foul shots for 42 points. Bucyrus could muster but 5 points in each of the first two periods and the halftime score was 42-10. Then the varsity started playing good ball and worked the score to 68-46 by the end of the game.

FINDLAY

Defending State Champion Findlay showed plenty of power and a remarkable defense as they dropped Bucyrus from further tourney play with a 49-26 victory on their own floor. The Trojans were definitely at an advantage by playing the contest on their own floor. The Redmen, not used to a court of such size, found it quite difficult to work the ball around in their usual snappy manner and were quite often the victims of intercepted passes and blocked shots. Walt Light led Bucyrus's scoring with 9 points.

Track

Since Al Pesek had gone to Hiram College early in the spring in order to handle the spring football program there, Bucyrus was left with a shortage of coaches. This made it necessary to eliminate the customary baseball team and resulted in a very large track turnout. Chuck Tschanen and Dale Berner combined their talents and came up with a fine squad. Better still was the large number of underclassmen that turned out. These younger boys, thanks to the training they received this year, should be quite capable of forming winning teams in coming years.

One of the high spots of the '49 season was when the Red and White took second place in the N. O. L. track meet at Bellevue. The Bucyrus boys accounted for two new N. O. L. records also. Bill Kibler set a new mark in the 440 dash and the 880 relay team (Bob Dutcher, Joe Oppenlander, Dick Kibler and Ken Kinn) tied with Galion in setting a new mark for thae race.

Graduating from the squad were: Dick Kibler, Bill Kibler, Joe Oppenlander, Bob Dutcher, Gene Cory, Bill Huggins, Charlie Weithman and Keith Watts.

Bill Kibler, representing Bucyrus in the District meet at Mansfield, finished just inches behind Galion's Myers to take second place in the 440. He was also given a spot on the All-Ohio Track Squad.

Seniors

JIM BALL: Baldy was one of the best passers the school has ever seen. He filled the first string quarterback spot and really made the offense explosive because of his ability to toss long ones to the many able receivers.

DICK BUMSTEAD: "Bummy" was the efficient trainer for the football squad this year. Because of his height, Dick was a good, strong reserve forward for the basketball team this year. He saw quite a bit of action the latter part of the season.

CHARLIE BUSIK: This was Charlie's first year as a varsity football man. Having moved here from Upper he was unable to play last year but really made up for lost time this season. Charlie played defensive left guard and did a whale of a job at it. It was players like him that accounted for such oddities as minus yardage gained by the opposition as was the case in the Galion game.

GENE CORY: Gene, another track man, also ran the hurdles and also the mile and half-mile runs. He too was a faithful trainer and could always be counted on to give his best.

BOB DUTCHER: Varsity fullback, basketball guard, and track man, Bob has for several years been doing an excellent job in the field of sport. An outstanding participant, he was honored by being presented the Michael Trophy for being voted the most valuable player of the 1948 football squad.

JOHN HECKENHAUER: Coach Pesek never had to worry about Bill Huggins being injured because he knew that he had a capable man to replace him. John was big, rugged, and always ready to go, thus supplying the reserve strength needed by good teams.

BILL HUGGINS: First string football center for the past three years, Bill was one of the strongest spots in the team, especially as a line-backer on defense. Bill also was on the track squad as a discus and weight thrower.

PAUL KATTERHENRICH: Paul, who moved to Bucyrus from Columbus about halfway through the cage season, played first string center and really did a swell job of it. He was given honorable mention on the All-Ohio Squad.

DICK KIBLER: **BILL KIBLER:** Being twins and looking alike wasn't enough for Bill and Dick. They both became very valuable men to the BHS athletic program. They filled the varsity halfback and co-captain positions on the football team and top spots on the basketball and track teams. Bill was first string basketball and brother Dick was an equally good reserve. Each three letter men, their sparkling performances will be missed in the future.

DICK LIGHT: Dick, substitute quarterback, had a bit of bad luck, as he cracked his shoulder bone halfway through the season. The injury mended in time for him to play on the varsity cage squad.

WALT LIGHT: Walt, although he didn't go out for football or basketball until he was a junior, turned into one of Bucyrus' finest players. As end he was voted to a first place spot on the All-NOL team and in basketball he was a very decisive factor in most of the victories. He was honored by being presented the Michael Trophy for being the most valuable player on the 1949 basketball team.

DON MACKLING: Don played offensive left guard on the championship football squad. Many times it was his ability to crack holes in the opposition that enabled our backs to slip through for scores. Although not very big, Don was just as tough as they came and he really played an important part in the victories.

JOE OPPENLANDER: Hurdle man for the past three years, Joe has always been a hard and diligent worker and has thus aided the track squad not only with his wins but also by setting a good example for the other boys.

CHARLES STAUFFER: Another sturdy replacement was Charles Stauffer. Charlie played several years of ball and has the experience necessary to do a good job. He substituted at the tackle position and saw a great deal of action.

TOM TEYNOR: Tom finished his last season as varsity guard in a rather bad way. After playing this position on the football squad for four games, he received a broken leg during practice. His fine spirit even after the accident did much to bolster the team's morale.

KEITH WATTS: Keith, a tall, fast end, was another person who made the end so strong this year. He also was a fast man on the varsity basketball and equally fast on the track team.

CHARLIE WEITHMAN: Big and scrappy, Charlie, as left tackle, time and again threw opponents for losses and tore holes in the opponent's line for the ball carrier. He was also substitute on the varsity cage squad and a regular track man in the field events.

DON WIDMAN: Although Don was one of the smallest men on the cage squad, he was one of the best. Playing first string forward, he very often slipped in baskets when they were most needed.

And so we end the Year 1949

ONE OF OHIO'S LARGEST INDUSTRIAL FAMILIES

... And Why

The more than 18,000 men and women who are producing Timken bearings, fine alloy steel, and rock bits in many plants throughout Ohio make up one of the state's largest industrial families.

We're proud of this fact because it proves once more that the competitive free enterprise system is the greatest in the world.

Under any other, such as Communism, Socialism, Marxism, or Fascism the Timken enterprise could not have grown from a handful of men into a great multitude of people joined together for a single purpose: to make a profit. In fact, under any other system it is doubtful if the enterprise could have even begun.

* * *

To gain a profit, 22,000 American men and women have invested their savings in the Timken enterprise.

To gain a profit, more than 18,000 American men and women are busy giving the best that is in them to turn out the finest possible products.

Because they profit by it, thousands of customers continue to buy Timken products in ever-increasing quantities.

But strangely enough, the profit motive of late has taken on the nature of something evil, bad, anti-social.

Yet profit is the reason why America is the most prosperous and powerful nation ever known. Under the free enterprise profit and loss system we have produced more goods for more people at a low cost than any nation in the history of man.

* * *

Yes, we believe in the profit motive. We believe in a better product at the lowest cost consistent with a policy of steady employment at good pay and a fair return to investors for the use of their funds. And because we have always believed in it the Timken industrial family is one of Ohio's largest.

THE TIMKEN ROLLER BEARING COMPANY, CANTON, OHIO

"TO MAKE THE BEST BEARINGS . . . THE BEST STEEL . . . THE BEST ROCK BITS WITH THE BEST PEOPLE WORKING UNDER THE BEST CONDITIONS!" *That is our aim at Timken*
